**General Information**

- This application is available from the Bureau of Air Pollution Control in a Microsoft Word file, or on the internet at <http://www.ndep.nv.gov/bapc>. All information required in the application may be computer generated and submitted to the Bureau on compact disc (CD) or other format approved by the Director.. In addition, one printed copy must be submitted.
- All information required by the "General Company Information" must be completed.
- The application filing fee required by NAC 445B.327 must be submitted with the completed application. The fee for a new Class II General Operating Permit and the renewal of a Class II General Operating Permit is \$500. Checks must be made payable to: Nevada State Treasurer, Environmental Protection.
- This application packet shall be used for new Class II General Operating Permit applications and renewals of Class II General Operating Permits (Asphaltic Concrete Plants, Concrete Batch Plants, and Sand & Gravel Processing Plants). If other activities that have the potential to impact air quality are planned, other permits may be required.
- An application for a Class II General Operating Permit must be signed by a responsible official, as defined in NAC 445B.156.
- All items in the application must be addressed. If an item does not apply "N/A" or similar notation must be entered in the appropriate blank. All other information must be provided. Incomplete applications will be returned to the responsible official within 10 working days of receipt of the application packet.
- A complete application for renewal of a Class II General Operating Permit must be submitted at least 30 calendar days before the expiration date of the current permit. The Bureau of Air Pollution Control suggests that the application be submitted well in advance of the 30 day deadline to ensure the application is complete.
